CURRENT COVID POLICY

COVID RESPONSE UPDATE

After much prayerful thought and discussion at the council meeting on Monday night, the decision was made to do away with the mask "mandate" for the sanctuary but to continue to strongly recommend masks. Part of what went into this decision was the fact that with our new heating system, we are circulating the air in the sanctuary with fresh air outside. We did not have that before the switch over. We will also be opening the windows as weather permits. We will continue to monitor the situation and keep you apprised of any changes.

In Peace,
Your Church Council
