Dear Friends,

Our theme this year is *Reawakening*—a fitting reflection of the renewal Rev. Mike and our church community have been experiencing together.

Enclosed you'll find the Faith Promise/Pledge card, where you can indicate how you wish to support our church. This year, we're inviting you to go beyond financial contributions by sharing other gifts and talents that can help our church thrive.

A church needs more than money to grow. While financial support helps us sustain our mission, it's the active participation of our congregation that truly brings life and momentum. This is our time to awaken—to rise, engage, and make things happen. Whether it's helping with missions, organizing social events, or offering service, your involvement matters.

Over the next three weeks, we'll hear from some of our “doers”—those who are already making a difference. They need our help, and we need others to step forward, revive cherished traditions, and reach out to welcome new families into our church.

I'm excited for the energy and enthusiasm that lies ahead as we *reawaken* and reimagine our future together.

Blessings,

Neil Hiltunen
